

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.gravie.com/](http://www.gravie.com/). For definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	In- <a href="#">network providers</a> : \$6,500 individual/ \$13,000 family. Out-of- <a href="#">network providers</a> : not covered	See the Common Medical Events chart below for a summary of coverage provided by this <a href="#">plan</a> . For some services, a <a href="#">copayment</a> or payment toward the out-of-pocket may apply.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. In-network <a href="#">preventive care</a> services, office visits (primary and specialty care), on-line care through Gravie's telemedicine service provider, certain labs and related imaging work, <a href="#">urgent care</a> visits and generic prescriptions are covered at no cost.	This <a href="#">plan</a> covers some items and services even if you haven't met the <a href="#">deductible</a> amount. For example, this <a href="#">plan</a> covers certain preventive services without <a href="#">cost-sharing</a> . See a list of covered preventive services at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> . Copay/ <a href="#">coinsurance</a> may apply to some services.
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	In- <a href="#">network providers</a> : \$6,500 individual / \$13,000 family (\$6,500 per family member). Out-of- <a href="#">network providers</a> : Not applicable. For ease of reference, your out-of-pocket maximum will be referred to as OOPM through this document.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met. The in-network OOPM is the same as the deductible. There is no <a href="#">out-of-pocket limit</a> for out-of- <a href="#">network providers</a> .
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance-billing charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.aetna.com/asa">www.aetna.com/asa</a> or call 855.451.8365 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
